# ANNEX I

The screenshot displays the Tingtun Checker interface. At the top, there is a navigation bar with 'Language: English (en)' and a 'Login' link. Below this, a sidebar on the left contains various menu items such as 'Page Checker', 'PDF Checker', 'Benchmarking', and 'Checkers Tests'. The main content area shows the results of a check performed on the URL 'http://www.tordera.cat/portada.php'. A green banner at the top of the results section states '0 barriers found on the web page'. Below this, a 'Recheck' button and a '>Check another page' link are visible. The interface also displays the check time (2021-02-24T08:31:51Z), the number of applied tests (Total: 1373, Fail: 0, Verify: 0, Pass: 1373), and a score of 100.00. A disclaimer box is present, explaining that the automatic score is based on tests carried out automatically and that about 20% of conceivable tests cannot be automated. Below the disclaimer, the 'Result Details' section is shown, featuring a tab for 'Applied Automatic Tests'. This section includes a table of test results, all of which are marked as passed (green checkmarks). A large grey arrow points to the right, with the text 'Select a test to display the details'.
